Maybe we can help you make more money  
LET'S TALK IT OVER

Your business is running a farm. Mine is to help in every way I can to make that job of yours easier and more profitable.

Because no two farms are alike, I try to get around as much as I can, meeting farmers and finding out about their particular problems. If I haven't had a visit with you lately, I'm hoping to soon.

Meanwhile, remember that I'm here to serve you... with Ford Tractors, a complete line of up-to-date Dearborn Farm Equipment and with first class service. Stop-in when you're in town and I'll look for you next time I'm out your way.

Delivered to your farm completely  
Equipped, Ready to Go  
**FOR ONLY \$1364**  
UP TO 18 MONTHS TO PAY

ected. Our county storm disaster units were all ready to give their services if required.

The State of Kentucky has the largest man made lake in the United States in its Kentucky Dam on the Tennessee River, in the Paducah region. A lake of tomatoes and celery ready for transplanting. An ideal place for a young fellow to plant a tomato and a celery plant. This dam is a part of the Tennessee Authority system.

Statistics of the persons habits of American people are a lot of money. According to the W. C. T. U., it is the Americans a cool million dollars for their liquors. The habit is nearly as costly.

When you break open a carton or package of cigarettes, did you ever stop to think what the cost? Here in Belle Glade we pay 25 cents a pack for the best grade cigarettes. Well, with a Federal, State and City tax, you are paying 12 cents a pack. The other 13 cents go to the manufacturer, the jobber and the wholesaler, and the balance goes to the government. When I look at the pile of cigarettes in my ash tray I wonder why I am so foolish to burn up my money in that way, and yet I continue to be a dunce, and keep on smoking the fags, why, because I like to smoke and get the aroma of the tobacco. Our cold drink expenses are enriching the people who are in the bottling business. Well again a cold, a grippe, or other ailment, a cold drink, sure is refreshing on a hot day, so people go on drinking and drinking, and helping vendors pay cooling boxes. Our Cola appetite down at the Herald became so great, and we had to wait out so much leather in making trips to near by stands, that we have fallen for the "distraction" coin box. We have lots of visitors who like to see the "back shop", but is a niche or no niche.

The City of Lake Worth looking after additional revenue had passed a two cent tax on cigarettes, hoping to raise at least \$25,000 a year.

Congress has authorized an additional "roving" Federal Judge for the Florida area. The new judge, who ever he may be, assigned to the Miami area, as a companion to Judge Holland, who is the most over-worked judge in the state. If this does not work, Senator Pepper proposes to ask Congress for still another new judge, to be definitely assigned to the Miami court.

Congressman "Jack" Snaabers, of Dade County, must have a pretty good standing at the White House, for he was one of the Presidential party who flew to Miami for the VFW convention. The President in his flight had opportunity to see some of the territory for the Florida Flood control project. The President by his every action has shown his favor for the project.

When I do not want them, I can locate many crickets, but just let me want to go fishing, and find some of the bugs, which fish seem to like so well. Where are they?

The season in Belle Glade has hardly got started, and yet to find a house, apartments, or even a sleeping room, is almost impossible. This means there is going to be a house supply problem in our city. Were there 500 medium priced homes available, they would be snapped like a hot potato, and a grass-plot. When will we get caught up with the housing situation problem?

Scott Lee, over at Lake Har-

bor, has already set out about 25 acres to tomatoes, and reports that he has fine seed beds of tomatoes and celery ready for transplanting. An ideal place for a young fellow to plant a tomato and a celery plant. This dam is a part of the Tennessee Authority system.

Scott Lee, over at Lake Har-

that portion of the storm center of the ocean or seas, so that we need not have these nerve wracking each fall.

"Dick" Cooper, of Orlando, who is an advocate of the measure to have a new Constitution for Florida, has already lined up the Florida Federation of Women's club and the Veterans of Foreign Wars in support of such a movement.

The automobile owner who takes out accident and collision insurance has had a break. The State Insurance Department has announced that new lower rates will go into effect the first of the month.

Clewinston Selects Candidates For His Municipal Offices

At a city wide electoral primary to choose candidates for city officials, Tuesday, 707 votes were cast, and the four men selected to run in the election were: R. J. McLeod, R. E. Waldron, C. H. Berger and Claude Harmon. The terms of office of Mayor R. J. McLeod, C. A. Thomas and C. E. Miner expire.

Mrs. Beatrice Weaver Will Reside In Tampa

Mrs. Beatrice Weaver, and her daughters, Mary Edna, Patricia and Jesse, have moved to Tampa, their former home before coming to Belle Glade five years ago. Mrs. Weaver operated the Bridge Cafe which was a popular eating place under her management.

Mrs. Nell Scullin Sells Three Of Her Government Dwellings

Mrs. Nell Scullin has sold a home on SE Fourth street, which has been the home of Mr. and Mrs. Bob Davidson for the past seven years. To Mr. and Mrs. Thomas Chappell, who will take possession around September 1st. Mr. Chappell is a mechanic employed by the Chevrolet garage. As a result the Davidson's are acquiring round for a new home location. Mrs. Scullin has also sold two of her properties at the corner of East Avenue 2 and Fourth street, to former McLendon sisters.

A New Year

It is certainly a blessing that we have our allotted time on this sphere divided into years, for they provide a pause in our daily routine which gives us an opportunity for introspection.

The coming of a year to an end enables us to review the past and use it as a basis for comparison with which to plan for the future.

The beginning of a new year is a time for retrospection and resolution, a time when hindsight can be turned into foresight. Thus each year we can profit from our mistakes and start the new year's course with the experience gained from the old.

Foolish indeed is the man who does not use this pause in his daily life to re-evaluate himself and resolve to make the changes needed to improve his character and forward his career!

Chief of Police Charles Goodlett has given his officers the right to drink all they want, provided it is Coca-Cola out of the new distributing cooling chest that has been installed in the police headquarters office.

Well, Harry's Hurricane missed us, but some one else sprung a second one on us. We who reside in the Glades area, are new recipients of what is performed locally. Let's cut

**Sunray Awning Shutters**

Are ventilated metal awnings which can be quickly raised, lowered, opened, and closed from inside the house. When lowered and closed they become storm shutters.

A combination of Jalousie awning and storm shutter. Baked enamel finish.

Call West Palm Beach 4511 for free estimate, or visit us at 4115 Broadway, West Palm Beach, for demonstration.

SOUTH BAY  
BEAN CITY  
LAKE HARBOR

Lee Eckman, Al Vadass, accompanied by Thurman McKinley and Clyde Garrett of South Shore Sugar Plantation and Wallace Garrett of Brookville enjoyed a recent fishing expedition to Pine Island.

Mrs. J. C. Bowen and sons Larry and Patrick Michael have returned home from Miami Beach where they have been staying with their mother, Mrs. Marie Mullin.

Mr. and Mrs. R. R. Roadman and family are occupying the Mark Chalkin home until their cottage can be repaired after the damage done by the week end hurricane.

Mrs. Ludo Lockmiller has returned home from an extended visit with relatives at Lake City and Jacksonville.

Mr. and Mrs. James Blanton, Jimmy, Eddie and Elizabeth and Miss Gladys Weathers of Americus, Ga., have returned

home after spending a week with their brother and sister-in-law, Mr. and Mrs. T. E. Weathers.

Mrs. L. L. Simmons has been suffering from a severe case of blood poisoning resulting from infection in her leg. She is able to get out once more.

Mrs. Mary Alice Kendall has returned from Tallahassee where she has taken work throughout the summer session at the University of Florida.

Mrs. R. G. Fisher has returned from Rochester, Minn., where she accompanied her husband several weeks ago. He is reported improved but still receiving treatment at Mayo Brothers.

R. S. Donaldson is visiting relatives in Canada but is expected home in the near future.

Mr. and Mrs. Laverie Varvel and son Gary of Indianapolis were recent guests of Mr. and Mrs. E. M. Fender and Miss Monova Barger. Mrs. Varvel and Miss Barger were former classmates in Arkansas. The former is now principal of the school at Indianapolis.

Hilton Mott S-M left Tuesday for his naval base at Pearl Harbor, Honolulu, Hawaii. Mrs. Mott, the former Miss Dorothy Register plans to join him as soon as the necessary arrangements can be made.

Mr. and Mrs. Leon Willis and family have returned to their home here after spending the summer at Okeechobee and other Florida points.

Mr. and Mrs. Walter H. Thames, Jr., and daughter Margaret returned this week from a month's leave of absence and vacation from the Everglades Experiment Station. Lt. Commander Thames took a course in electronics warfare at Charleston Navy Yard during their absence. Mrs. Thames and Margaret visited at Charleston, S. C., Augusta and Thomasville, Ga.

Mr. and Mrs. J. K. Willis and family are spending a two week vacation at Fort Myers Beach.

Mr. and Mrs. Onal Walker and son Gary have returned from a weeks outing at Fort Myers Beach.

A total loss. The Farmers Insurance South Bay Village.

Mr. and Mrs. James A. Mott have moved into one of the houses in the Summerlin Addition. Their marriage was an event of August 20 at her former home at Dublin, Ga.

Mrs. Mott was before her marriage Mrs. Charles Mott of Belle Glade. Mott is the Route Salesman for Sealtest Milk with headquarters at Chicago.

He and his daughter Mary Lou Mott have been making their home at South Bay with his mother and step-father, Mr. and Mrs. Lawrence E. Simmons.

School House Ripped Off South Bay Ripped Off

The South Bay School roof was somewhat damaged by portions of the roofing on the windward side being ripped off during the night of the storm and water damage from the leaking roof and water blowing in under the doors and windows. Plastering in some of the rooms was damaged and the school projector was also water damaged.

School will open on Tuesday, Sept. 6 with school buses in operation and a full corps of teachers on duty.

Mrs. Elytha Eckman is principal and teacher of English in the Junior High. Calvin Peacock will teach mathematics and social studies in the Junior High and Mr. Gervis McClure will teach science.

The elementary grades, fourth, fifth and sixth will be taught by Mrs. Ruth Murphy and Mrs. Leslie Martin. The primary grades first, second and third will be in charge of Mrs. Margaret Heas and Mrs. Olga Hardy. Miss Alma Murphy will be in charge of music.

Storm Survey Of Damages In South Bay Area

The South Bay residents are busy cleaning up the debris left in the wake of the Friday night hurricane that swept through the Glades with devastating effect.

Many of the local residents left during the day for Sebring, Orlando and other points of refuge. Quite a few elected to ride out the storm in their own homes and approximately 75 persons took refuge in the South Bay School.

The N. W. Starling barn was a total loss. The Farmers implement Company garage and repair shop and living quarters adjacent were almost a total loss. The Braden repair shop and Grill's bar were undamaged.

Most of the South Bay dwellings stood the buffeting of the wind with minor damages to roofs and windows. Considerable damage was done to interior furnishings and bedding which became water logged from the rain which accompanied the wind.

Excessive damage was done to trees and yard plantings where fruit trees were uprooted and tall pine trees had their tops twisted out and snapped off.

Telephone and electric light, and power service were interrupted early in the storm but were being rapidly restored by crews working long hours over the weekend and into the first of the week.

A few days of good sunshine to permit roofs to be patched and replaced and other damages repaired will put most of the homes and places of business back to normal.

Local Old Timers concur in the opinion that this storm was the worst since 1928 although neither the property loss or loss of life is at all comparable. The government tide held the water back in the lake although the wind was right to bring it over on South Bay and build-

ings now are far more substantial than they were in 1928 and 1928. No loss of life has been reported this time in the Glades though there were some narrow escapes from falling trees and other flying objects.

Early fall plantings of snap beans and black eyed peas by Floyd Wilder and other growers was lost but the major crop planting had not yet got under way.

Advisory Council Is Named To Assist In School Activities

The new Athletic Advisory Council, acting in behalf of Golden Ram Athletic affairs, has been formulated by Principal Frank O. Hobson, with one exception, the South Bay member has not been chosen.

The personnel of the Council as now composed is: W. P. Rink, Coach; Bill Young, American Legion; Judge Jack Johnson, Moose; Randall Dickinson, Elks club; Ted Daniels, Lake Harbor; F. Burke, Coaches; Doug Leavitt and James Mayner, of the school.

Hobson plans to get the membership together next week, and lay plans for season activities.
